

MANAGING DIRECTOR NEWSLETTER

30 YEARS OF QUALITY PRIVATE EDUCATION

October 2024

Dear Parents and Guardians,

As we embark on the final term of this school year, I want to extend a heartfelt welcome back to all our learners, parents, and staff. It's hard to believe how far we've come, and I am incredibly proud of the growth and achievements our students and staff have made over these past months.

This final term is not just a conclusion; it's a vibrant opportunity for growth and achievement. As we prepare for the end-of-year exams, let's take a moment to reflect on all the hard work that has brought us here, and look forward to the exciting challenges ahead. This is the perfect time for our learners to harness their efforts and finish the year on a high note. It is never too late.

I encourage our students to approach their studies with enthusiasm and a positive mindset. With dedication and the right preparation, each learner has the potential to shine and accomplish their goals. Parents, your unwavering support is invaluable in this journey. Together, let's help our children establish effective study routines that not only foster learning, but also encourage a healthy balance in their lives.

While end-of-year exams may feel daunting, they also serve as a powerful opportunity to demonstrate how much our students have learned and how they have grown. Let's inspire them to embrace these challenges with confidence, knowing that their hard work will lead to rewarding outcomes.

I would also like to thank our staff for their hard work, dedication and commitment to ensure that our learners achieve their full potential, not only academically, but also in their behaviour.

In the words of the great Zig Ziglar, "You don't have to be great to start, but you have to start to be great." Now is the time for our learners to make the most of these final weeks, channelling their energy and determination into achieving their best.

Thank you for your steadfast support throughout the year. Let's continue to work together, uplifting one another, and ensuring that this term is filled with success and inspiration. As we look ahead, I also encourage you to make sure that you re-register your child(ren) to make sure that they have a space for the upcoming school year. Together, we can build on this foundation of success and create even more opportunities for growth.

Wishing you all a fulfilling and exciting term ahead!

Yours sincerely, Dr B Fourie
